### **Drawing With Charcoal**

Instructor: Diana Reichardt, Assistant Director of Education

Drawing With Charcoal is a 3-hour workshop for adults that will help you learn how to represent a full range of light and shadow on paper. Charcoal drawing provides essential training in the representation of value, which is fundamental to making a successful drawing or painting. Through in-class exercises you will practice using this fast, flexible medium to improve your observation skills and “see” a composition through the use of line, light, and shadow. No experience is necessary and all materials are provided.

**Cost, Date, Time:**

\$45.00: Saturday, March 23, 10:00am – 1:00pm

### **I Missed that Day in School! Draw What You See**

Instructor: Ellen Anne Chong, Director of Education

Have you ever drawn without looking at your paper? Do you REALLY know what you see? Join us in Leo's Studio10 for some drawing exercises designed to open your eyes and make you think. If you want to learn some tips and tricks, then this three-hour workshop is designed for you! Materials provided.
